## Programme Planner for October 2022 cohort

The tables below outline all the activities contained in each 'Block' (module). Activities in **dark blue** are provided by Education Development Trust, and activities in **light blue** are delivered by Delivery Partners. Each NPQ begins with a period of Programme Onboarding. As outlined in the DP Handbook, please ensure your training sessions and any support activities take place within the broad delivery windows outlined below and follow the Block-by-Block sequence, with group sizes appropriate to local need.

The **Programme onboarding** period – which is set for the two weeks from **26 September 2022** up to the cohort commencement date of **10 October 2022** – aims:

- to provide participants with an overview of the content and the expectations of the Programme
- to give an introduction and welcome from the Delivery Partner and Education Development Trust
- to provide support and guidance on access to the materials and events to ensure full participation.

The Programme onboarding comprises:

- a Welcome webinar (recorded, asynchronous)
- an introduction to the online learning platform (user handbook)
- a Welcome Pack (to include the Specialist/Leadership Participant Handbook, as relevant)
- an introduction from the Delivery Partner – please see the [applicant onboarding process document](#) for more information.

The routine of **facilitator training sessions** is as follows:

1. For all 7 NPQs (all except NPQEL): a **mandatory 90-minute live webinar** held before the start of the course, including:
  - a. the learning design & curricular principles underpinning Education Development Trust's suite of NPQs
  - b. the style and approach of training required
  - c. fidelity to the Frameworks: core knowledge, and keeping up to date with the evidence base
    - Pre-session: *mandatory* reading of Programme information
    - Post-session: *mandatory* familiarisation with the online platform
2. Per NPQ, per Block: a **mandatory short recorded webinar**
3. For all NPQs, *optional* **90-minute drop-in clinics** held half-termly
4. For all NPQs, *optional* open forums for trainers to share practice and ideas and to network, moderated internally so that questions can be answered
5. NPQH trainers who will be acting as facilitators on the Early Headship Coaching Offer will be invited to a separate virtual training session, which will introduce facilitators to the structure and content prepared, and focus on the facilitation skills required.
