

Cohort 1 (November-21) Specialist NPQ Block completion windows

Please see below indicative completion windows for each Block of your NPQ course. We advise that you aim to complete all Block activities within each window in order to remain on track with your course.

You are able to track your progress through each Block by using the 'Progress' Tab on the home page of the online platform. Here you can view 'All Learning', or break this down to 'Active Learning' and 'Completed Learning'. Further details about how you can track your progress are available in the online learning platform user guide.
